

Bruce Highway Upgrade

Caloundra Road to Sunshine Motorway

Construction notice

January 2019

Ref: CN42

Northern work zone

Traffic changes to Bruce Highway northbound lanes

As part of the Bruce Highway Upgrade – Caloundra Road to Sunshine Motorway, a number of traffic changes are required to upgrade the Bruce Highway from four to six lanes.

From 29 January 2019, weather permitting, a 1.5 kilometre section of the Bruce Highway northbound carriageway heading towards the Sunshine Motorway will be switched on to the newly constructed service road between Palmview Forest Drive and Sippy Creek Road. This temporary switch will occur during night works.

This will allow the first stage of construction work to commence on the three new northbound lanes of the highway. Please refer to the map overleaf.

The Frizzo Road northbound on ramp to the Bruce Highway will be temporarily realigned as part of these works. Over the next two weeks, the on ramp will be detoured during night works to facilitate the changes. Northbound motorists will detour via Caloundra Road interchange. Roadside message boards will display the detour dates.

Working hours

Both day and night works will be required to complete these works.

The project's working hours are:

- **Night works:** Sunday to Thursday, 7pm to 5am.
- **Day works:** Monday to Saturday, 6am to 6pm.

It is important to note that these activities are dependent on weather conditions.

What to expect

Changed traffic conditions on the Bruce Highway northbound:

- Detours will be in place during night works over the next two weeks to facilitate the changes.
- A 1.5 kilometre section of the highway will be switched onto the newly constructed service road on the western side of the highway.
- The Frizzo Road northbound on ramp to the Bruce Highway will be temporarily realigned.

- Access will be maintained for motorists heading north on the Bruce Highway.
- Lighting towers will be used to light the new area at night.
- The existing speed limit of 80 km/h will be maintained through the area.
- Roadside barriers will be installed to separate road users and road workers.

We thank the local community for your patience and cooperation during these works.

Other construction activities nearby:

Day works (Mon-Sat, 6am-6pm):

- Ongoing rock hammering near Tanawha.
- Asphalt works on the eastern side of the Bruce Highway at Palmview and along Martin Road at Palmview.
- Ongoing drainage and earthworks at the Sunshine Motorway interchange to Sippy Downs interchange.
- Service relocation works for water, telecommunications and electricity.
- Temporary traffic management on local roads to facilitate works.
- Vegetation removal activities.

Night works (Sun-Thurs, 7pm-5am):

- Asphalt works on the eastern side of the Bruce Highway at Palmview and along Martin Road at Palmview.
- Ongoing drainage and earthworks at the Sunshine Motorway interchange to Sippy Downs interchange.
- Service relocation works for water, telecommunications and electricity.
- Temporary traffic management on local roads to facilitate works.
- Installation of precast bridge components and concrete pours at the Sunshine Motorway interchange and Caloundra Road interchange.
- Scheduled maintenance activities in various areas.
- Vegetation removal activities.
