

20TH NOVEMBER 2016 THE WIZARD – ANDREW FARRELL

A special Event at 34 Horseshoe Bend Buderim supporting Buderim Foundation Youth Program.

Join us on the lawn under a marquee with spectacular views of the coastline as you sit back and enjoy two incredible acts.

Andrew Farrell – *“when he takes his seat at the piano, it becomes obvious that the nickname means something else as well, he indeed works his magic with the keys, and casts his spell over the audience. This man produces some of the finest music in diverse styles that you are ever likely to hear” The Daily Tribune.*

M7 support Act – will have you up and dancing with some rock'n 60/70/80s music performed by 7 local professionals you may well know, and never forget. They perform locally for charity events.
