Esky 33L Chilla Cooler + Esky 30 Can Soft Cooler

The 33 litre Chilla from Esky has an easy access lid and built in can holders to securely store your drinks. It includes:

- A tray and divider to ensure food and drink stored in your Esky are kept separate
- Folding soft grip handles conveniently sit flush against the Esky for ease of storage and use.
- Holds up to 40 x 375ml cans, perfect for a group of friends or family out and about.

The Esky 30 can soft cooler includes:

- 2 side drink holders
- Bungee cord for additional storage
- Front storage pocket
- Adjustable shoulder strap

There is no catch!

Any cut-to-size door or Evostone fabricated benchtop from the following eligible categories apply.

- Fenix NTM Super mat, opaque, anti-fingerprint panels
- Luxe High gloss polyurethane panels
- Synchron Deep textured pattern and woodgrain panels
- Evostone Acrylic benchtop surface

Once you reach the \$3,000 + GST, we will issue the gift with purchase of your choice, hand delivered by your account manager. We will also keep you updated on your progress during the promotional period.

Please visit our website www.nover.com.au/doors to download a copy of the order form.

Not only do you receive a **FREE** gift for purchase, you also receive the following benefits:

- Save time and resource
- The finished product delivered direct to your door and in most cases on our own trucks
- All orders are packaged individually & all panels are labelled and wrapped
- Our newly installed state of the art machinery allows us to produce a near seamless edge using a PUR hot melt adhesive in both White and natural.

In premium panel manufacturing, the value of the end product is more and more determined by the quality of the edgebander. We have this covered with our Holzher Lumina edgebander.

Please visit our website www.nover.com.au/doors to download a copy of the order form.

Alternatively, you can order online at doors@nover.com.au or speak with your account manager for an order form.

*Terms & Conditions: Trading accounts must be within terms for customer to qualify. Offer applies to Fenix, Luxe & Synchron cut-to-size square edged panels and Evostone fabricated through Nover. \$3,000 minimum value excludes GST. The minimum value can be combined across all categories featured i.e Fenix doors + Evostone benchtops with a collective value of \$3,000 minimum + GST The total value can be achieved over the entire promotional period (April, May and June 2019). Display material or showroom purchases are excluded from the promotion. Orders must be invoiced between April 1st 2019 and June 28th 2019. No rain checks or back-orders will apply. Nover may offer a similar prize to the same value if our supplier runs out of stock or changes their offer.
