

This face-to-face workshop is designed specifically for Queensland landscaping businesses and delivered by TAFE Queensland in partnership with Landscape Queensland.

The session supports business owners, sole traders and non-financial professionals to confidently interpret financial information, meet compliance obligations and make informed decisions that support long-term business sustainability and growth.

With a strong focus on practical application, participants will work through real-world examples relevant to small-to-medium landscaping businesses.

LEARN

Session 1 - Financial Foundations

Gain a clear understanding of core financial concepts, including:

- Profit and loss statements
- Cash flow and balance sheets
- Cost structures and profitability
- Key financial ratios
- Using financial reports to inform day-to-day business decisions

Session 2 - Compliance & Risk Management

Explore construction-specific compliance and risk topics, including:

- Progress claims and retentions
- Debtor management and cash flow protection
- Managing financial and contractual risk
- Regulatory obligations and practical risk mitigation
- This session includes an interactive Q&A facilitated by a TAFE Queensland and QBCC, providing practical insights relevant to the landscaping industry.
