Brown Paper Bag Appeal – Founders Week 2026

Supporting Our AA Family in the Asia-Oceania Region

As one of the “older sober countries,” Australia has a special responsibility to help spread the AA message where it's needed most.

Why

Many years ago, our World Service Office in New York responded to a call from “Down Under”—and AA in Australia was born. Now, it's our turn to carry that spirit forward by supporting the 72 countries in the Asia-Oceania Region, many of which are developing nations with limited resources. Last year, we raised \$19,570. Let's aim higher this year!
