**Notice of Change of Global Trade Name and Local Business Name**

Dear Sir or Madam, I trust this finds you well.

Firstly, thank you for your continued support of our company.

We are pleased to announce that we have officially changed our Global Trade Name and Local Business Name to those listed below.

In August of last year, we became part of the Paloma Rheem Holdings Group. And from January of this year, under our new name, we are dedicated to further expanding our business at home and abroad in cooperation with the group companies. We will continue to market our products under the FUJITSU and GENERAL AIRSTAGE brands.

In addition to delivering even more comfortable living to people around the world, we are redoubling our efforts towards achieving a more sustainable society.

We hope that we can count on your continued support and guidance as we strive to meet and exceed your expectations.

Wishing you good health and continued prosperity.

Sincerely,

Koji Masuda  
President & CEO  
GENERAL Inc.
